

POOLE HOSPITAL  
**CANCER TREATMENT TRUST**

Registered Charity No. 264841

Having recently supported the purchase and installation of a new state-of-the-art MRI scanner for Poole Hospital we need to boost our funds. As scanners become faster, with higher image definition, new applications and lower x-ray doses, we are looking for help to raise money so that we can help Poole Hospital purchase the latest and best scanning equipment available. This will help in the diagnosis and follow-up of many patients, such as acute illnesses and trauma, but particularly in the diagnosis and treatment of cancer.

This is where  
you can help!
